## WORK EXPERIENCE

### Webdeveloper Intern

MyRevue

01/2022 - 04/2022

Remote

MyRevue is a 60-second product discovery and review platform driven by consumers. MyRevue users tell brands about their product and service experiences.

Achievements/Tasks

- My task is to build responsive webpage by the provided UI and reusable component.
- I built a blog section where I use Sanity for the backend and ReactJs and TailwindCSS for the frontend part.
- Tech use : ReactJs, NextJs, TailwindCSS, Firebase.
- Live Website: <https://myrevue.app/>

### Outreach and Media Lead

CodeChef BCET Chapter

10/2020 - Present

Durgapur, West Bengal

Main motive of this College Chapter is to build a good coding environment in which students get ample opportunity to develop their CP skills.

Achievements/Tasks

- Work on brand visibility.
- Creating content pieces and designing posters.
- Utilise social media to spread awareness so that more students take part in various events.
- With infographic post was able to engage more student with the community.
